# CAPITAL COLLECTION

*FRAMED CABINETS*

# CASSELBERRY

*Highland Series*

The intricate styling of the Casselberry line will bring a sophisticated atmosphere to any space. The traditional mitered door frames, beveled raised center panels, and hand glazed details create a luxurious look at an affordable value. This full overlay door style features a medium Saddle stain and an elegant Antique White paint.

**ANTIQUE WHITE**

**SADDLE**

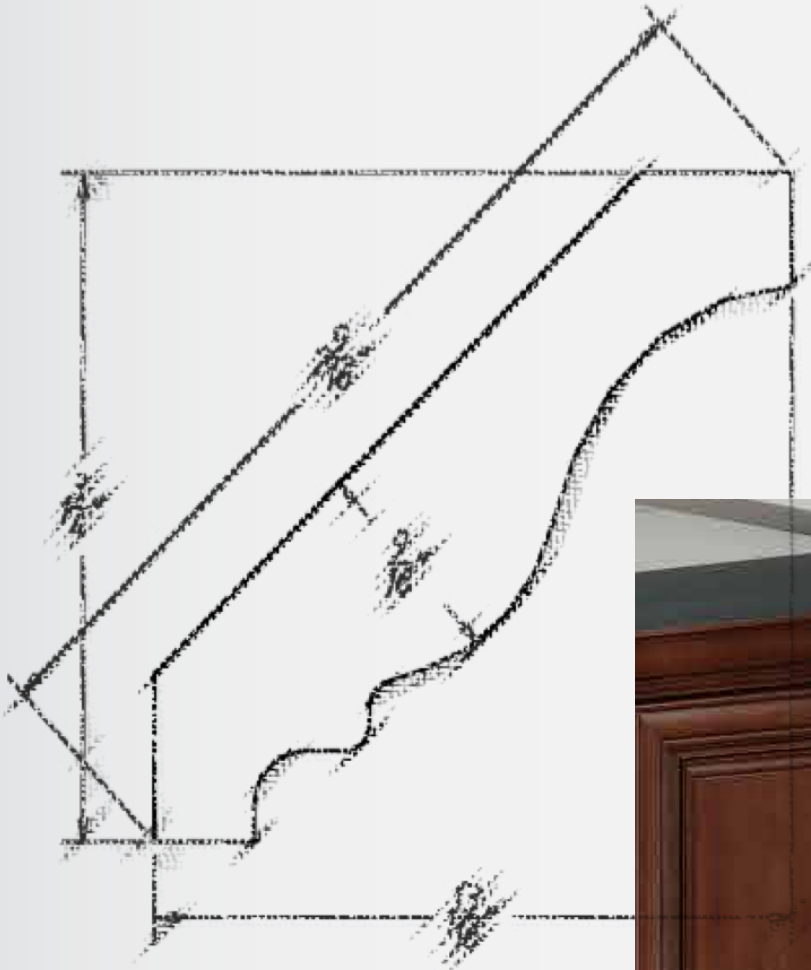

# CASSELBERRY ANTIQUÉ WHITE

Bringing sophisticated customization into a Casselberry Antique White kitchen is easily done with any of our **Wine Rack** accessories.

Our **Decorative Crown** molding accents the traditional Casselberry Saddle style seamlessly with its delicate black hand glazing into the pillowed bevels.

# CASSELBERRY SADDLE

# YORK

*Highland Series*

The York line infuses subtle classic details with contemporary designs. Capturing a recessed center panel with a simple beveled frame transitions the full overlay door into any fashion seamlessly. This timeless and practical style is available in the popular Antique White painted door with a dark tan hand glazing or the Chocolate stain with a black hand glazing.

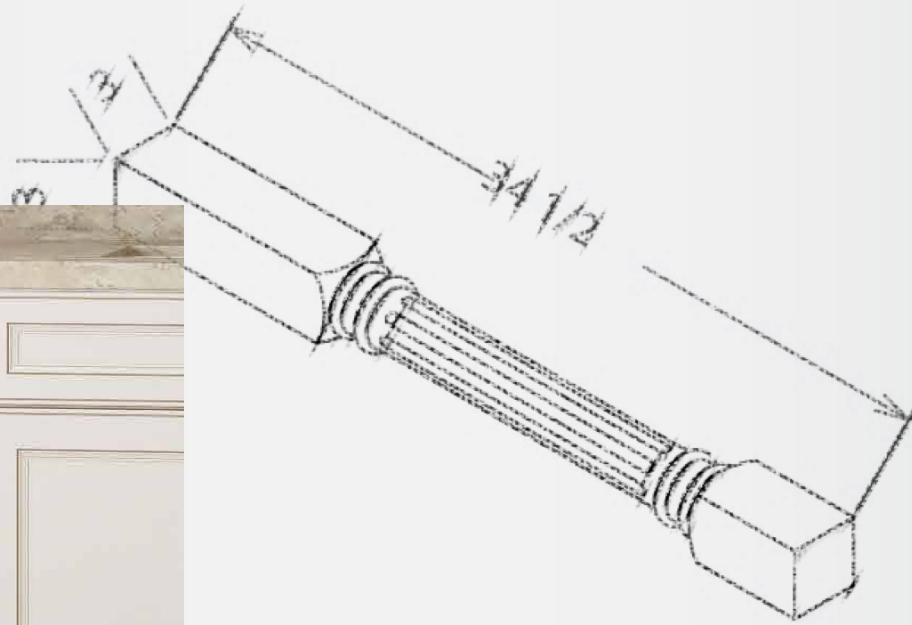

*Available in...*

**ANTIQUÉ WHITE**

**CHOCOLATE**

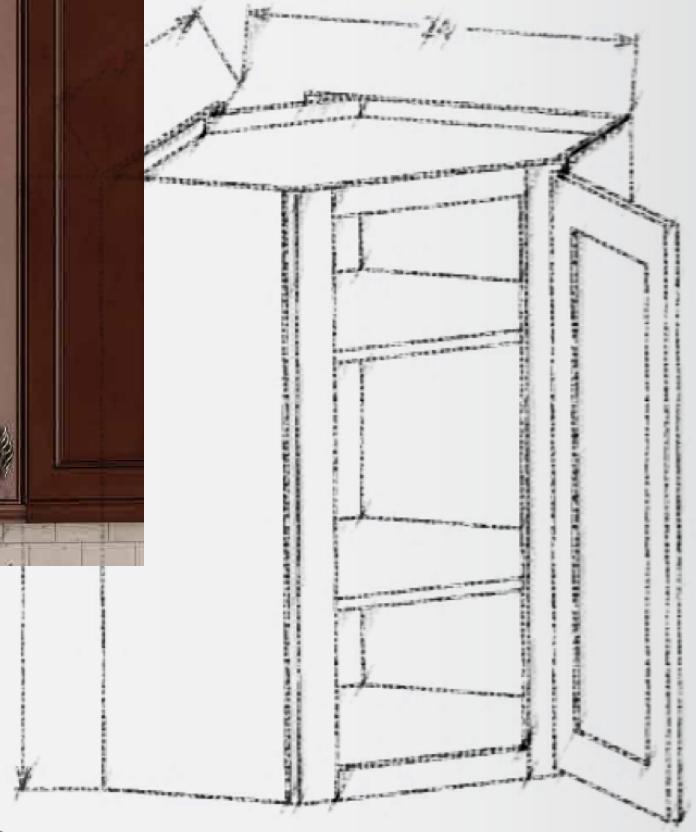

The elegant touch of a **Fluted Leg** accessory can refine the transitional tailoring of the hand glazed York Antique White recessed panels into an instant classic.

# YORK ANTIQUÉ WHITE

# YORK CHOCOLATE

A simple **Glass Door** with the rich York Chocolate matching interior upgrades even the most modest home design into a renewed level of style.

# SHAKER

*Highland Series*

The clean style of the Shaker line creates a contemporary vibe for modern designs. Framing the flat recessed panel with sleek lines of the full overlay door creates an affordable chic finish. The Shaker line is available in a pure White paint, transitional Antique White, Dove & Grey paints or in a natural Cinder or rich Espresso stain.

**ESPRESSO**

The **Base End Cabinet** adds an inviting feel to the sharp aspect of Shaker White's contemporary stiles and rails with its ability to open up any room.

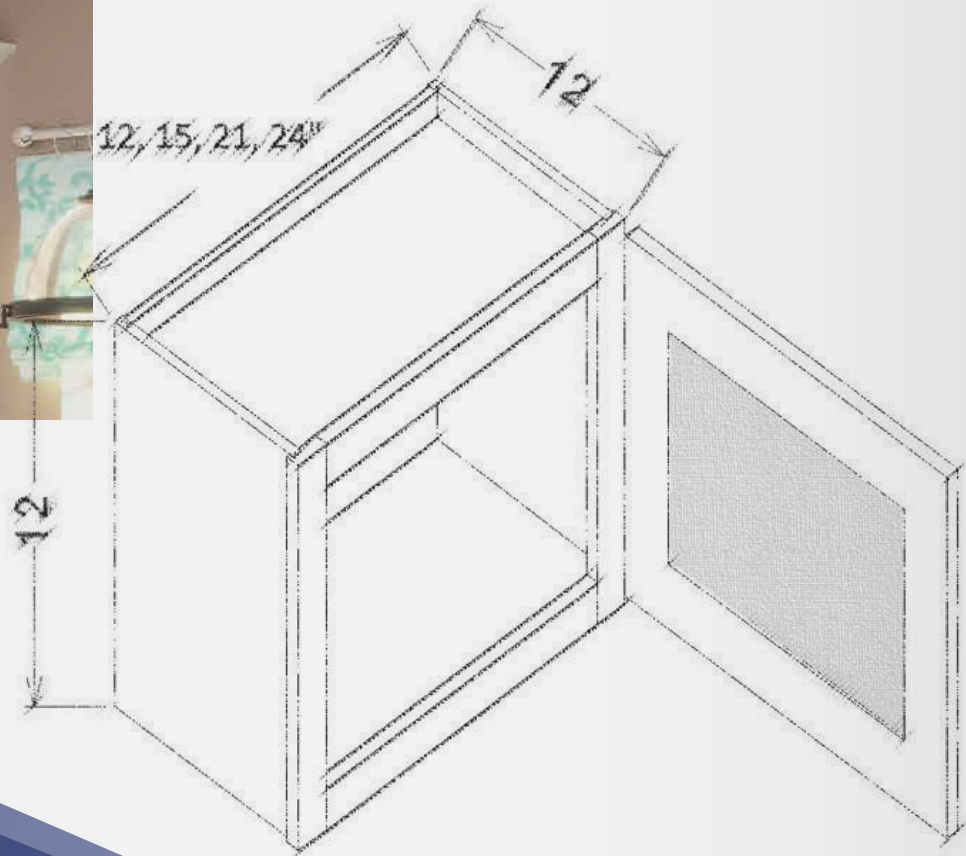

# SHAKER WHITE

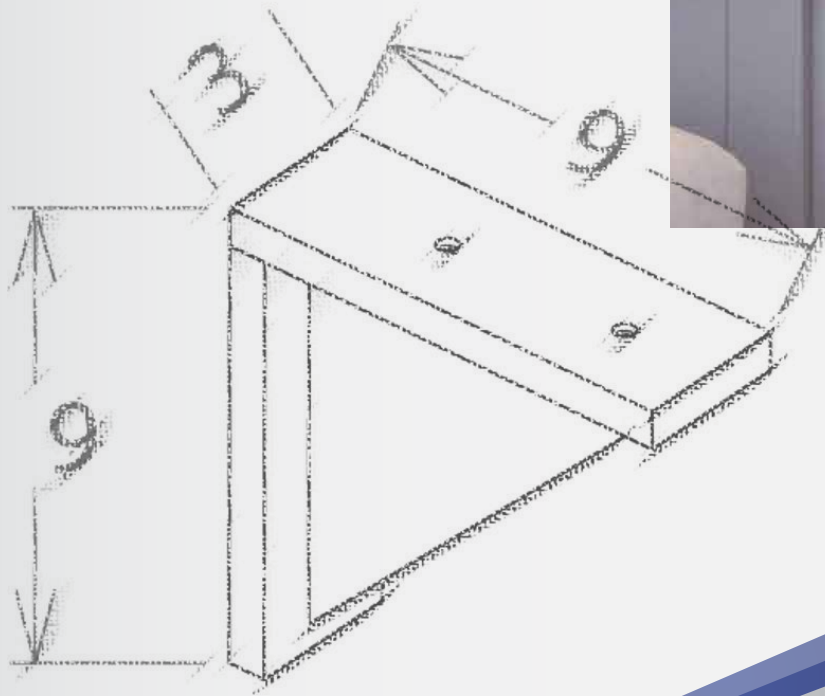

# SHAKER ANTIQUÉ WHITE

The **Glass Door Stacker** cabinets bring height to any room and allow you to show off your personal touches in our Shaker Antique White style.

Our modern **Corbels** create support while staying true to the contemporary lines of the Shaker Dove profile.

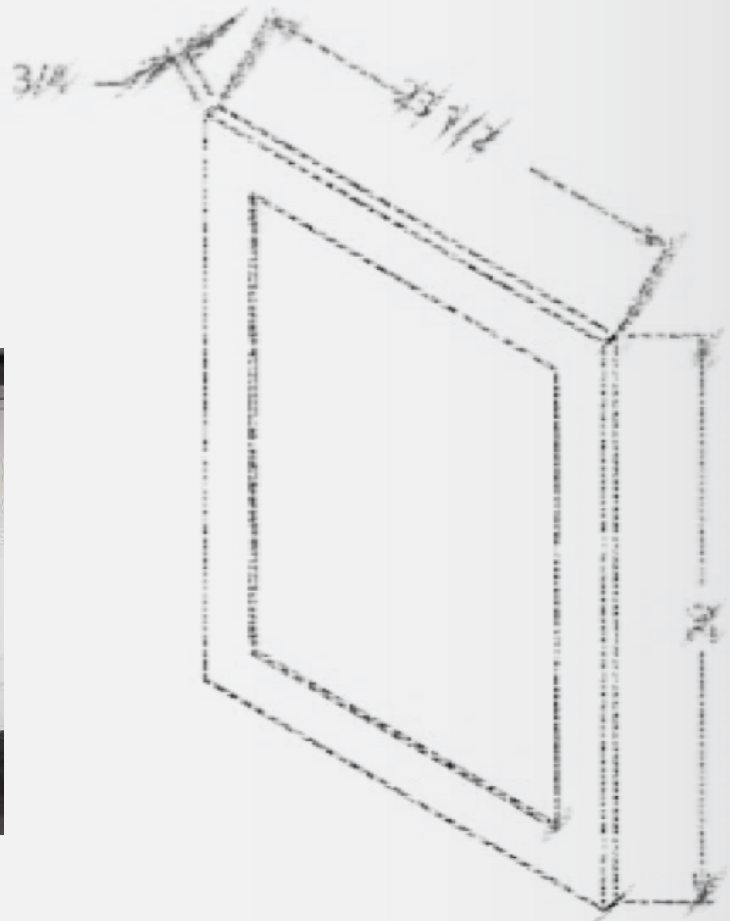

# SHAKER DOVE

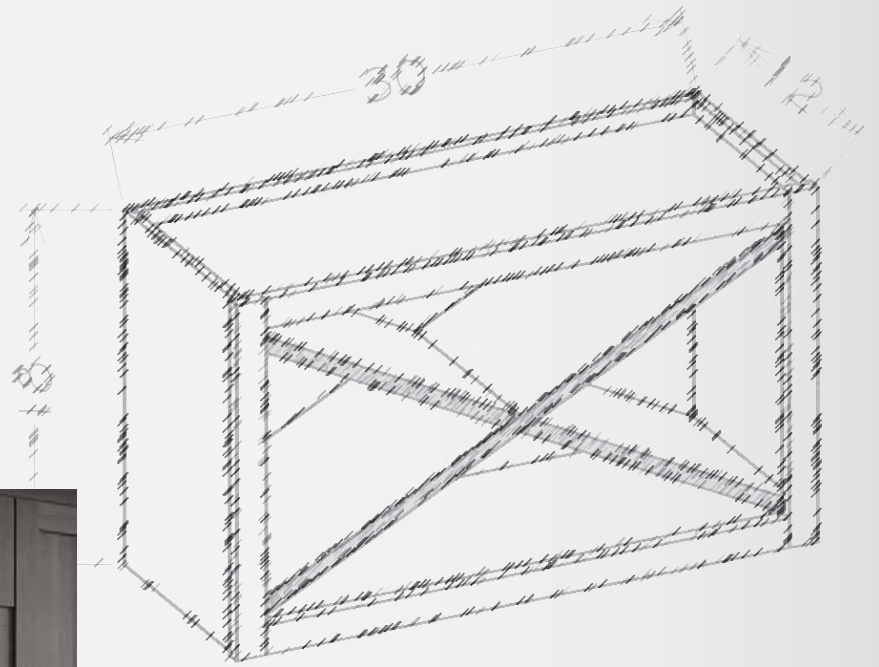

# SHAKER GREY

With our **Decorative End Panels** in a matching door profile, the extra detailing paired with the lighter color brings both contrast and continuity to this Shaker Grey space.

The **Wall Open Cabinet**, paired with the **X Rack** insert, gives this Shaker Cinder laundry niche extra storage space without sacrificing style.

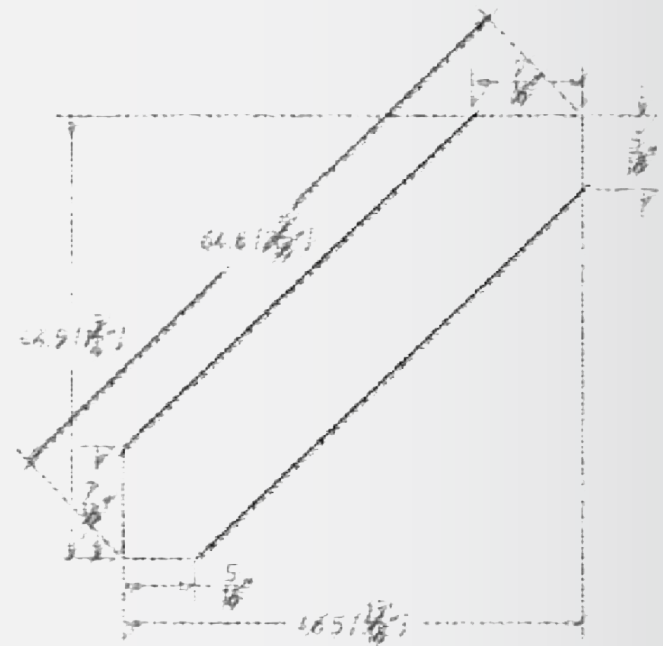

# SHAKER CINDER

# SHAKER ESPRESSO

The contemporary lines of the Shaker Espresso profile can be personalized with our modern **Angle Crown** moldings for a fresh finishing touch.

# TORRANCE

*Highland Series*

**As our newest door profile, the transitional Torrance line creates a modern look with a raised center panel. The crisp lines of the five piece full overlay door enables this profile to fulfill the refined needs of classic designs and the sought after contemporary trends. The Torrance line is now available in the popular bright White and our newest Dove grey paints.**

WHITE**

With a transitional design, the **Plate Rack** brings storage and eye catching intrigue to our new Torrance White door style.

Proof that all trends come full circle, our **Farm Sink Base** allows traditional apron sinks to accent modern kitchens.

# TORRANCE DOVE

# SONORA

*Cascade Series*

**Without sacrificing attention to design or durability, the Sonora line meets an economical expectation for residential or commercial designs. Create a modern appearance with the five piece constructed full overlay door in the neutral Spice or bold Mocha stains and our new pure White paint.**

*Available in...*

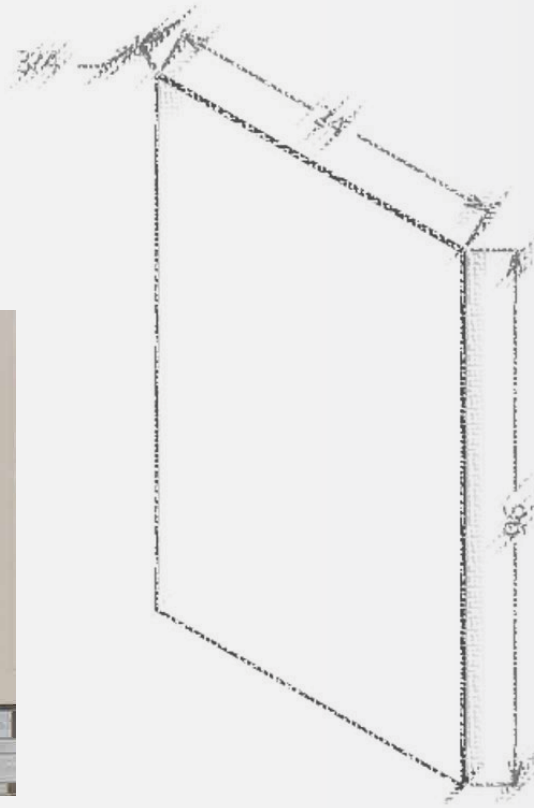

**WHITE**

**SPICE**

**MOCHA**

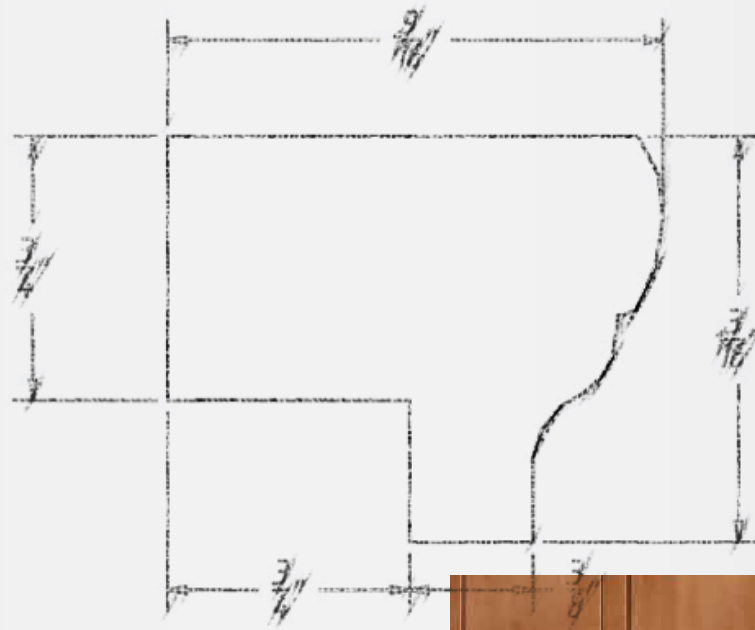

Our Cascade Professional Series offers a matching **Shelf Board** to help customize open concepts using our Sonora White line.

# SONORA WHITE

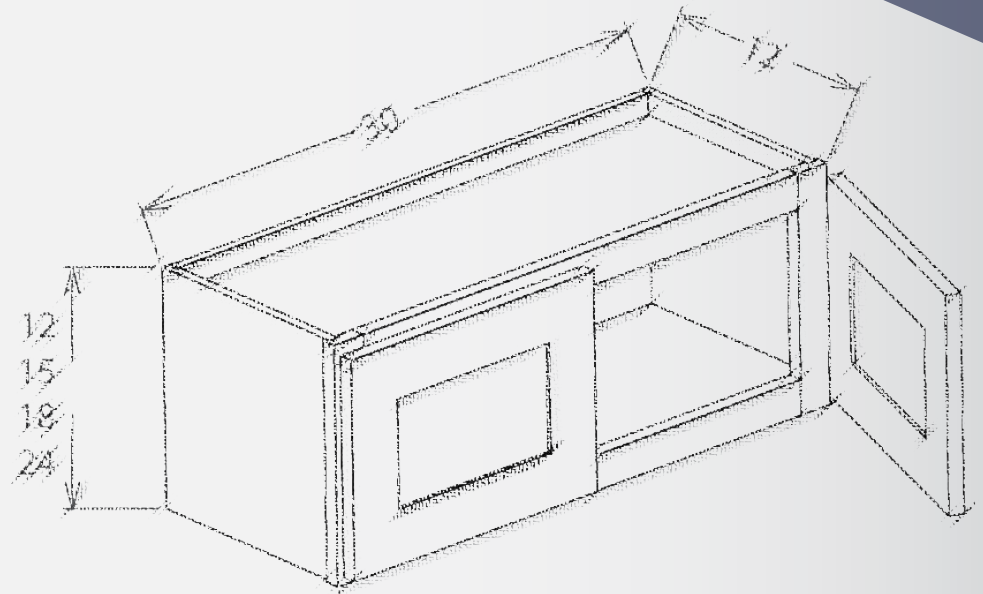

# SONORA SPICE

Our **Light Rail Moulding** is a smart option allowing designers to show off Sonora Spice's brilliant natural colors while concealing lighting upgrades.

Add remarkable functionality by stacking **Bridge Cabinets** and **Wall Cabinets** to create a customized and innovative storage solution.

# SONORA MOCHA

A modern kitchen featuring light wood-grain cabinets with black handles. A central island with a dark countertop is surrounded by two black bar stools. A white chair is visible on the right. The kitchen includes a stainless steel refrigerator, a sink, and a window overlooking a city skyline. Two industrial-style pendant lights hang above the island. A decorative blue and white graphic element is overlaid at the bottom of the image.
